"Dr. Allen is the best. I've sent many people to him," she noted, to which Cohen, 57, said, "I'm heading to L.A. for this! I've seen a lot of work. That's really good."

"You can't see nothing. It's amazing," the mom-of-two gushed. "I love that I can talk about it. I'm fully transparent, always have been. I don't want there to be any stigma. This is something that was bothering me. I **lost a lot of weight**, and I had this thing hanging, and I had it fixed."
